

Valdo Processo – An Italian Sparkling wine

You can **ONLY** be called Processo if its made from 85% Glera Grapes. Valdo is produced in the Processo Region in Italy (about 40km north of Venice)

JR did the Valdo Processo tastings at all the Goddess Café for Mothers Day around PTA and JHB this past weekend.

The tastings at all the stores was a huge success. Not only did the colours and branding look exceptional all together but the brand was well executed.
